

if you are reading this,
then you must be hard to impress.
good. i like a challenge.

without wasting your time, here's a quick look of what i've been doing for the last 7 years.

2026_vavasoftware
digital.designer

i produce high-quality gaming and sports designs for a korean gaming platform.
my deliverables include, but not limited to, social media banners, gif animations,
sports matchup posters, video editing, and match schedule tracking

tools and applications:

2019-2025_creative.lead

joined as a web-designer in 2019, i lead local marketing creative team in delivering branding
design, responsive websites, landing pages, and social media banners for thai, indian, and
japanese markets of a japanese gaming platform. i provided end-to-end support by
determining project scope, art conceptualization, project timeline, creation of initial drafts,
client review, final art creation, implementation and feedback for both design and development.

coverage:

brand awareness, asset management, quality testing, marketing collateral, progress tracking

tools and applications:

iii save the rest for when you reach out

2023-2025 - independent contractor (healthcare)

2018-2019 - senior graphic artist (gaming)

2013-2018 - graphic artist (fintech/gaming)

2012-2013 - graphic artist (retail)
